BRIEF ABSTRACT OF LETTER.

States that recommendations for transfers of Sanitary Inspectors are received in his office from the Deputy Commissioners of Districts & instructions on the matter as he has no power to give a transfer from one District to another.

NOTES AND ORDERS.

V According to Govt. ptn. No. 9301-19 dated the 8 April 1905 Ind 67-03 a Municipality with a population of 5000 and under should employ a Sanitary or an Assistant Sanitary Inspector and that every Taluk Board should employ a Sanitary Inspector. The pay and allowance of Sanitary Inspectors are

met from Municipal and District funds. The appointment of the Sanitary Inspectors vests in the presidents of the Municipal & District Boards and the Sanitary Commissioner will only maintain a register of duly qualified candidates available for employment for communication to the presidents (vide Govt. proc. No. 3517-27 dated the 3rd August 06) Govt 430-04-21
The Sanitary Inspectors have to submit their diaries to the Assistant or Vice-president of the Municipality in which they are employed and that officer will pass them on to the District Sanitary officer with his remarks. (vide rule 5 appended to Govt. proc. No. 3647-87 Gen 150-10-2
dated the 8th May 1911)

2. According to the above orders the question of transfers vests entirely in the presidents of the Municipal & District Boards.

3. In Govt. proc. No. 4787-829 dated the 15th March 1910, laying down certain general Govt 142-08-27
instructions in the matter of service in the Madras it is stated that when Deputy Commissioners of Madras districts with respect transfers of officials to a Maidan station, they may arrange for such transfers, if necessary, in communication with the Deputy Commissioners of Maidan districts and the Rev. Commr or other Head of Department concerned. It is a point for consideration

whether Municipal employees may be transferred from one district to another.

Submitted for orders.

66 4. Sanitary Inspectors
15.7.13 are either under the employ of Municipalities or of Dt. Boards according to their employment in only one City or in the Talukas. The Sanitary Inspector, whose case has given rise to the present reference is one working in the Talukas. and is an employee of the Dt. Board of Hassan.

Map P.

5. Therefore he has no claim on any other Board to get a transfer to that Board. How can a Sanitary Inspector in another District, say Kolar, be compelled to go to Hassan Dt in lieu of one Inspector from Hassan transferred to Kolar Dt, as the Sanitary Inspector, by accepting his appointment for work in a Taluk binds himself to serve only the Dt Board of ~~Chikmagalur~~, and if he is sent without his Consent for service under another Board, he is practically asked to change his master, which he may not like to do, and is not bound to do.

6. Thus the Case of Municipal and local Fund Servants differs materially from that of employees under Govt in the matter of provincial transfers. There can therefore be no transfers or public service, in their case from one District to another, or one Municipality to another Municipality or Dt. Board

7 The only exception will be when two or more Dt. Boards or Municipalities form themselves into joint Boards under Sec 39, of the Mun^{l} Reg^{n}, or Sec 14 of the Local Boards Reg^{n}

8. In cases like the one under reference, the only practicable Course appears to be for the San^{y} Com^{r} to maintain a list of Sanitary Inspectors desiring transfers from the Mofussil, and who have put in at least 5 years service there, and to advise Madras Municipalities and Dt. Boards to apply for the transfer of their services, whenever they wish to entertain new San^{y} Inspectors, instead

11. From the rules for education and discipline of Sanitary Inspectors in the Madras presidency it is observed that all Sanitary Inspectors are under the immediate control of the bodies under which they are employed. They are entitled to all the advantages as to leave &c, possessed by other officers in Local Fund or Municipal employ. The Sanitary Board maintains a register of applicants for the post of Sanitary Inspector. A copy of the rules is herewith submitted.

No orders are available regarding the transfer of Sanitary Inspector from one Municipality to another.

13. The power of transferring Sanitary Inspectors from one District to another cannot be entrusted to the Sanitary Commissioner as the S. Inspectors as now constituted are Local or special fund officers.

14. Presidents of D. Boards appoint them & must therefore have the power of arranging their postings & transfers :—

The following provisions may be considered :—

(i) Presidents of D. Boards shall be competent to order or make transfers of such officers from one place to another within their own districts.

(ii) In case a transfer to another District is deemed necessary, action may be taken under clause (4) of G.O. of the 15th March 1910. If the Presidents of the two or more District Boards concerned agree, effect may be given to the transfer or transfers.

(iii) Similar considerations shall apply to Sanitary Inspectors employed in Municipalities, the Dy Comm who has control over them corresponding to the President of the District Board.

General & Revenue Departments,
BANGALORE.

SIR,

In forwarding herewith copy of letter No. 18 Mis. dated the 7th Instant from the Deputy Commissioner, Hassan District for favor of perusal, I have the honor to state that such recommendations for transfers of Sanitary Inspectors are from time to time received in this office from Deputy Commissioners, on the ground of ill health of the officials or other considerations. The control of the Sanitary and Assistant Sanitary Inspectors including their appointment, and of course their subsequent transfers, being entirely vested in the Presidents of District and Municipal Boards, the Sanitary Commissioner has no power to give a transfer from one District to another.

Under the circumstances I request that Government may be moved to lay down instructions as to the procedure to be followed in such cases.

-:::-

I have the honor to state that M. Narayanaswami Naidu, Sanitary Inspector of Arsikere Taluk, now under orders of transfer to Manjarabad Taluk for frontier observation duty at Marnahalli, has applied for a transfer to any maidan District, on the ground that he has been frequently suffering from Malaria since he was transferred to this District from the Kolar District. I request that his prayer for a transfer to some other District may be granted and another qualified Sanitary Inspector sent to this District in his stead.
